Organization Name:

Have A Voice

By Marcel Ray Duriez, founder:

Mission Statement:

Have A Voice is a nonprofit organization dedicated to empowering individuals — particularly children and young adults — who have experienced trauma, abuse, neglect, or educational misclassification. Through the free distribution of literature, music, and artistic resources, we provide an outlet for creative exploration, emotional healing, and personal expression.

Our work is rooted in the belief that every individual deserves the opportunity to be heard, to experience imagination, and to access tools that

inspire growth, resilience, and self-expression, regardless of their circumstances.

Vision:

We envision a world where children and young adults who have faced adversity can reclaim their voices, discover the power of storytelling and music, and find solace, empowerment, and inspiration through freely accessible artistic works.

Core Activities:

1. **Literature Access:**

- Complete **Nevaeh Saga** series and other literary works are placed in the public domain.
- Free access for children and young adults to explore stories that inspire imagination, resilience, and critical thinking.

1. **Music Distribution:**

- Original music compositions by Marcel Ray Duriez are freely available on platforms such as **Internet Archive**, allowing listeners to experience art as a form of emotional and creative expression.

1. **Creative Outlets:**

- Offering diverse creative media to provide a safe and enriching escape for those who have been misunderstood, mistreated, or mischaracterized in traditional educational or social settings.

1. **Trauma-Informed Support:**

- While primarily providing artistic content, the organization also fosters an environment where personal growth and healing can begin through engagement with literature and music.

Target Audience:

- Children and young adults who have experienced trauma, abuse, neglect, or miscategorization in educational settings.
- Individuals seeking creative outlets and empowerment through freely accessible art and literature.

Core Values:

- **Accessibility:** Artistic and literary resources are freely available to all.
- **Empowerment:** Encouraging self-expression, critical thinking, and emotional resilience.
- **Healing:** Providing art as a tool for emotional processing and growth.
- **Inclusivity:** Welcoming all individuals, regardless of background or circumstance.
- **Creativity:** Celebrating imagination as a transformative force.

Organizational Goals:

- To make literature and music accessible to children and young adults worldwide.
- To provide a platform for individuals to explore, express, and process their emotions safely.

- To inspire creativity, literacy, and artistic engagement among underserved populations.
- To cultivate an environment where every participant can “have a voice” and feel validated in their experiences.

Have A Voice — Resource Hub & Mission Overview
